EAN-Nr.	4016803094654

¹ To achieve the indicated energy consumption level, the wall spacers provided with the appliance must be used. These increase the appliance depth by approximately 3.5 cm. If the wall spacers are not used, the appliance will remain fully functional, but will have a slightly higher energy consumption level.

Features

EasyFresh safe

The guarantee of market freshness in the home is our EasyFresh-Safe. Whether it's unpackaged vegetables or fruit, this ensures optimal storage for everything. Thanks to the air-tight closure, the food causes the humidity in the safe to rise. This keeps the food fresh for a long time.

LED light inside

The LED side lighting illuminates the interior from the side – providing a good overview of your food. Another highlight: the LEDs are positioned in front of the glass shelves so that even a full refrigerator is well lit.

TouchControl

A gentle finger tap and you set your Liebherr to 3, 5, 7 or 9° with TouchControl. So simple – and efficient, as the sleek button is integrated into the interior, creating more space for all your fresh goods.

DoorStop

Keep your Liebherr fresh and odour-free with our retractable DoorStop. Prevents odors by keeping the door open when not in use. Save time and energy.

Lever handle with integrated opening mechanism

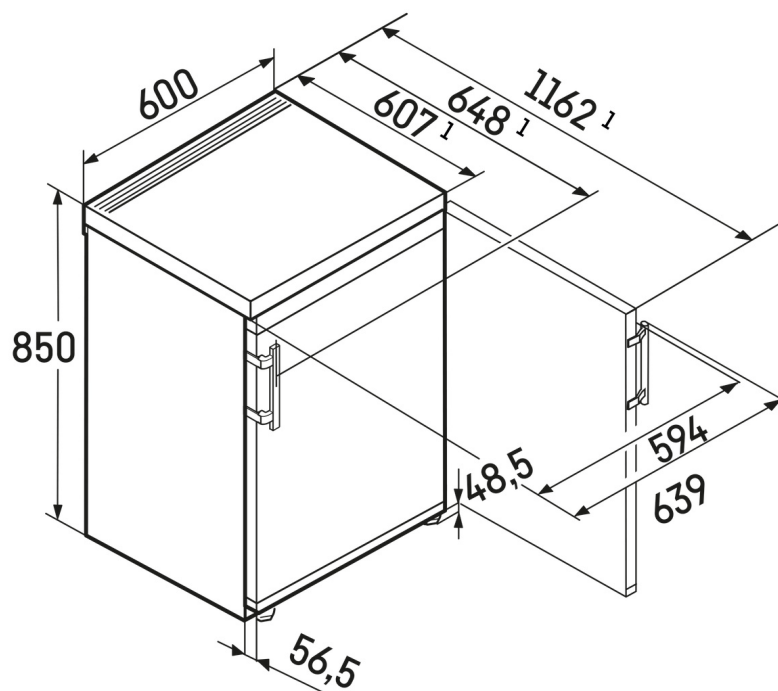

The sturdy, secure handles have an elegant, premium quality appearance and feature an integrated opening mechanism, which allows convenient and effortless door opening.

Durable worktop

You can never have enough worktop space when cooking. That's why our Undercounter appliances come with a sturdy and durable surface that even withstands scratches and thereby serves as an extension of your working top.

Technical drawing

Products and their details are staged for advertising purposes. Whilst every effort is made to ensure all specifications and information in this flyer are accurate, Liebherr reserves the right to make changes without notification. Where actual appliance measurements, specifications, and ratings are crucial, we recommend that the actual appliance installation instructions that accompany each appliance be checked. Liebherr will not be liable for any damage. (09.12.2025)
